Songs and rhymes we shared:

This Little Cow (count on fingers)
This little cow eats grass
This little cow eats hay
This little cow looks over the hedge
This little cow runs away
And this BIG cow does nothing at all
(touch thumb)
But lie in the fields all day!
(lay thumb down)

The Farmer
Here is the farmer
What does he do?
He feeds the cows
And milks them too
Chickens and pigs
Horses and sheep
He puts in the barn
So they can sleep

Hey Diddle Diddle
Hey diddle diddle
The cat and the fiddle
The cow jumped over the moon
The little dog laughed
To see such sport
And the dish ran away with the spoon

Cows
Here is the barn
(form roof with fingertips together)
So big you see
In walk the cows
One, two, three
(hold up 3 fingers one at a time)
Soon there'll be milk
(pretend to drink from a glass)
For you and me
(point to others and self)

Moon
Moon, moon up so high
(round arms over head)
Big white moon in a big black sky
(open arms wide)
Moon, moon, beautiful one
(round arms over head)
Following the setting sun
(move arms in a circle in front of body)
