Songs and rhymes to share:

Dump Truck

Dump truck dump truck
Bumpin' down the road
Spillin' gravel as you travel
With your heavy load
Bumpety bumpety bump
Dump truck dump truck - Dump! (tip over)

Wheels on the Bus

The wheels on the truck go round and round (roll hands)
Round and round, round and round
The wheels on the bus go round and round
All through the town
-Repeat with...
The shovel on the truck goes dig dig dig
The bucket on the truck goes dump dump dump
The horn on the truck goes honk honk honk
