Songs and rhymes to share:

Baby Beluga: by Raffi

Waves at the Beach *Sung To: "Wheels on the bus"*

The waves at the beach go up and down...
The waves at the beach go up and down, all day long.
- also -

The crabs at the beach, crawl back and forth
The lobsters at the beach go, snap, snap, snap
The clams at the beach will open and shut
The jelly fish go wobble, wobble, wobble

Five Little Fishes

Five little fishes swimming in a pool.
The first one said, The pool is cool.
The second one said, The pool is deep.
The third one said, I want to sleep.
The fourth one said, Let's dive and dip.
The fifth one said, I spy a ship.
The boat comes in, the line goes kerplash.
Away the five little fishies dash!

Catch a Fish

(Sing to "Row, Row, Row Your Boat")
Catch, catch, catch a fish,
hook it on your line.
Reel it, reel it, reel it, reel it
This one will be mine.

A Golden Fish

A golden fish went swimming by
He swam down low, he swam up high
He wriggled his fins and shook his scales
And swished his graceful golden tail

Five Fish

One, two, three, four, five,
Once I caught a fish alive;
Six, seven, eight, nine, ten,
Then I let him go again.
Why did yo let him go?
Because he bit my finger so!
Which finger did he bite?
This little finger on the right!

Four Little Fishes

Four little fishes swimming out to sea,
One met a shark!...
And then there were three.
Three little fishes wondering what to do,
One hid in a great big shell...
And then there were two.
Two little fishes looking for some fun,
One chased after a wave...
And that left one.
One little fish with all his friends gone,
Went back home to find his mum...
And that left none!

Gertie the Goldfish

Gertie the Goldfish goes
smack, smack, smack (*make kissing sound*)
She looks at me and goes like
smack, smack, smack,
She doesn't laugh, doesn't sing
doesn't do anything
Just blows big kisses like this
Smack, smack, smack,

Come to the window

Come to the window,
My baby, with me,
And look at the stars
That shine on the sea!
There are two little stars
That play bo-peep
With two little fish
Far down in the deep;
And two little frogs
Cry "Neap, neap, neap;"
I see a dear baby
That should be asleep.

Dance to Your Daddy

Dance to your Daddy,
My little babby,
Dance to your Daddy,
My little lamb.
You shall have a fishy
In a little dishy,
You shall have a fishy
When the boat comes in.

Five Little Fish

One little fishy swimming in the ocean blue
Here comes another one, then there were two.
Two little fishies swimming in the sea.
Here comes another one, then there were three
Three little fishies, swimming near the shore.
Here comes another one, then there were four.
Four little fishies, swimming around and dive
Here comes another one and now there are five
Here comes a shark, looking for some fun
Look out little fishies and away they run.
