### **Songs and rhymes to share:**

#### **Popcorn**

Popcorn, popcorn  
 Sitting in the pot  
 Shake it, shake it (wiggle body)  
 Pop! Pop! Pop! (jump up or clap hands loudly)

#### **This is Me** (touch parts named)

Two little eyes to look around  
 Two little ears to hear each sound  
 One little nose to smell what's sweet  
 One little mouth that likes to eat

#### **Where are your toes?**

What a surprise, here are your eyes  
 (point to eyes)  
 And this I suppose is a nose  
 (point to nose)  
 And right under here, I've discovered an ear  
 (tickle ear)  
 But where oh where are your toes?  
 (tickle toes)

#### **I Like My Nose** by Bruce Lansky

From "If Pigs Could Fly...and Other Deep Thoughts"  
 I'm glad that my nose  
 points down to my toes,  
 and doesn't point up to the sky.  
 For now I can sneeze  
 just as much as I please,  
 without getting goo in my eye

#### **The Five Senses Song** Tune: "This Old Man"

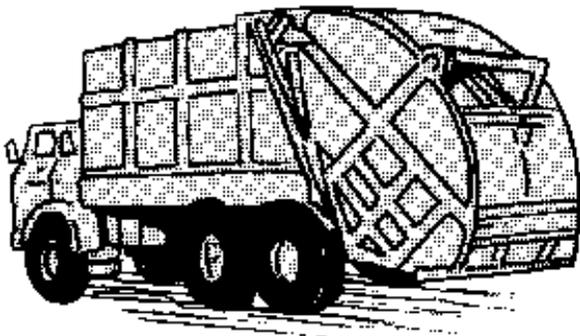

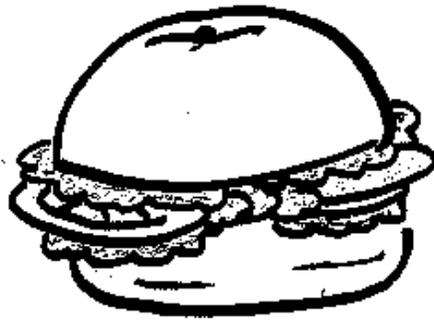

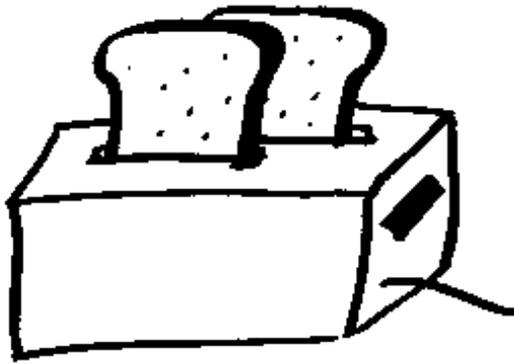

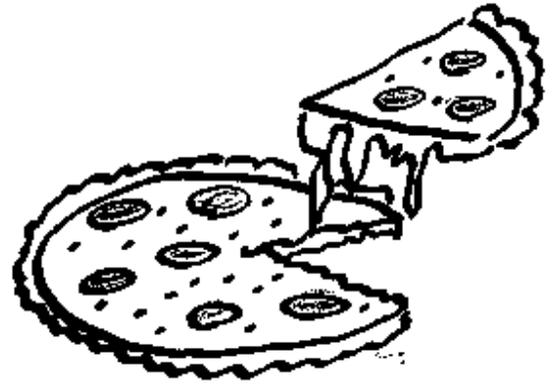

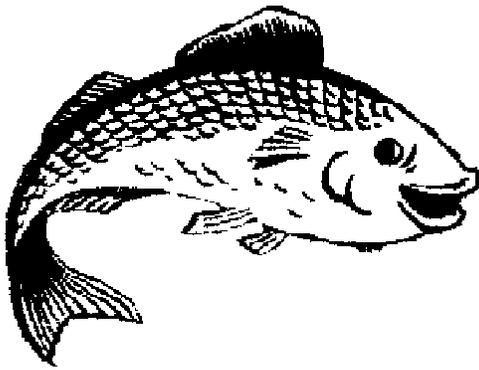

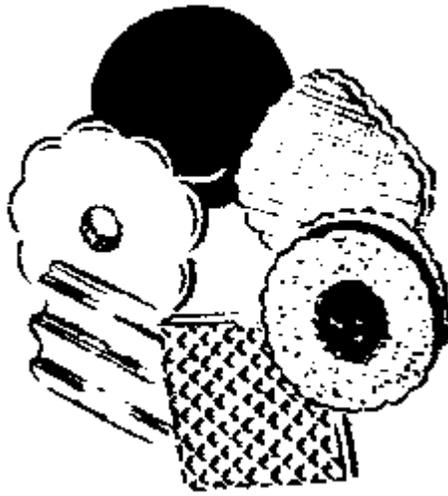

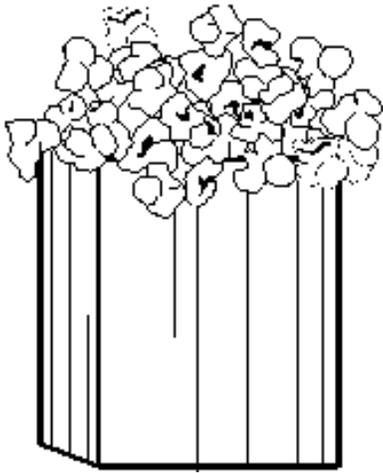

With my eyes, I can see robins nesting in a tree.  
**Chorus:** I see and hear, smell, taste, and touch.  
 My five senses know so much!  
 With my ears, I can hear different noises sound quite clear.  
**Chorus**  
 With my nose, I can smell lovely flowers in the dell.  
**Chorus**  
 With my mouth, I can taste The minty flavored new toothpaste  
**Chorus**  
 With my hands, I can feel bananas with a slippery peel.  
**Chorus**

#### **Say it in Sign!**

Use your hand to waft the smell  
 of fresh baked bread to your nose – do twice

Color the things that are good to smell

**Springtime Song**    *Tune: Did you ever see a Lassie?*

My eyes can see it springtime, it's springtime, its springtime.  
My eyes can see it springtime, the grass is so green!  
The green grass, the flowers, the sunshine and showers  
My eyes can see it's springtime, and I am so glad.

My ears can hear its springtime, its spring time, its springtime.  
My ears can hear its springtime, the birds sweetly sing.  
The birds sing, the lambs bleat the frogs croak, the bees buzz.  
My ears can hear it's springtime, and I am so glad!

My body can feel its springtime, it's springtime, it's springtime.  
My body can feel it's springtime, the air is so warm.  
The warm air, the breezes, no frost and no freezes.  
My body can feel it's springtime, and I am so glad!

**The Five Senses Song**

*Sung to: "Old Mac Donald Had a Farm"*

On my face I have two eyes;  
Use them every day.  
They are used to help me see  
When I work and play.  
With a look, look here,  
And a look, look there,  
Here a look, there a look,  
Everywhere a look, look.  
On my face I have two eyes;  
Use them every day!

On my face I have a nose;  
Use it all the time.  
When I sniff it I can tell  
Vinegar from lime.  
With a sniff, sniff here,  
And a sniff, sniff there,  
Here a sniff, there a sniff,  
Everywhere a sniff, sniff.  
On my face I have a nose;  
Use it all the time!

In my mouth I have a tongue;  
Use it when I eat.  
Tasting with it I can tell  
Sour from the sweet.  
With a lick, lick here,  
And a lick, lick there,  
Everywhere a lick, lick.  
In my mouth I have a tongue;  
Use it when I eat!

On my head I have two ears;  
Listening all day long.  
And if I didn't have them there,  
I couldn't hear this song!  
With a listen here,  
And a listen there,  
Everywhere a listen, listen.  
On my head I have two ears;  
Listening all day long!

On my body I have skin;  
Feeling cold and heat.  
It stretches from atop my head  
Way down to my feet.  
With a touch, touch here,  
And a touch, touch there,  
Here a touch, there a touch,  
Everywhere a touch, touch.  
On my body I have skin;  
Feeling cold and heat!

**Runaway**

I have two eyes to see with,  
I have two feet to run,  
I have two hands to wave with,  
And nose I have but one.

I have two ears to hear with,  
And a tongue to say 'good day!'  
And two red cheeks for you to kiss,  
And now I'll run away.

**A Silly Riddle...**

**How can you tell that you were built upside down?**

*Your nose runs and your feet smell!*
