So they all rolled over and one fell out
(drop one hand to the side)
Nine bears in my bed....
- repeat down to one-
One bear in my bed and the little one said
I'm lonely, come back!

Honey Bears *(count on fingers)*

This little honey bear was playing peek-a-boo
Here is another, now there are two
Two little honey bears said "lets climb a tree"
Up came another, now there are three
Three little honey bears looking out the door
Along came another, now there are four
Four little honey bears found a beehive
Here comes another, now there are five!

A Little Brown Bear

A little brown bear, went in search of some honey
(shade eyes with hand)
Isn't it funny, a bear wanting honey?
(shrug shoulders)
He sniffed at the breeze
(lift head and pretend to sniff)
And listened for bees (hold hand to ear)
And wouldn't you believe it,
(shake index finger)
He even climbed trees! (pretend to climb)

The bear went over the mountain
To see what he could see
-name things he might see-

He saw a great big river
He saw a great big river
And that is what he saw
