Songs and Rhymes to Share:

Two Little Blackbirds

Two little blackbirds sitting on a hill
One named Jack
And the other named Jill
Fly away Jack
Fly away Jill
Come back Jack
Come back Jill

I Saw a Little Birdie

I saw a little birdie go hop, hop, hop.
I asked that little birdie to stop, stop, stop.
I went to the window to say 'How do you do?'
But he shook his little tail and away he flew!

Baby Birds

Up in the sky, baby birds fly (flap arms)
Down in their nest, baby birds rest (cup hands)
With a wing on the left (flap left arm)
And a wing on the right (flap right arm)
Tired baby birds sleep all night (rock arms like rocking a baby)

Little Robin Redbreast

Little Robin Redbreast sat upon a rail
Niddle noodle went her head
Wiggle waggle went her tail

Three Little Ducks

Three little ducks that I once knew
Fat ones, fair ones, skinny ones too
But the one little duck with a feather on his back
He lead the others with a quack, quack, quack
Quack, quack, quack
Quack, quack, quack
He lead the others with a quack, quack, quack
Down to the river they would go
Wibble wobble, wibble wobble to and fro
But the one little duck...
Home from the river they would come
Wibble wobble, wibble wobble ho hum, hum
But the one little duck...
