#### This Is the Way We Wash Our Hands

##### Sleepyhead Moon

The big yellow moon shines so bright (arms circle over head)  
It glides across the starry night (move arms side to side)  
It looks down at me, asleep in bed (pretend to sleep)  
And whispers "good night sleepyhead" (cup hand to mouth)  
Big yellow moon, your turn is done (arms overhead then down)  
Here comes the bright morning sun (arms circle over head)  
I wake up, you go to bed (stretch arms up)  
Sleep well moon, you sleepyhead! (cup hand to mouth)

#### You Are My Sunshine

##### Mister Sun

Oh Mister Sun, Sun, Mister golden Sun (arms circle overhead)  
Please shine down on me (flutter fingers down)  
Oh Mister Sun, Sun, Mister golden Sun (arms circle overhead)  
Hiding behind a tree (cover eyes)  
These little children are asking you (tap chest)  
To please come out so we can play with you (open hands wide)  
Oh Mister Sun, Sun, Mister golden Sun (arms circle overhead)  
Please shine down on me (flutter fingers down)
