Mice who lived in a shoe / Rodney Peppe

Songs and rhymes to share:

Hickory Dickory Dock

Hickory dickory dock (run fingers up legs)
The mouse ran up the clock (run fingers up body)
The clock struck one (clap hands once over head)
The mouse ran down (run fingers down body)
Hickory dickory dock (run fingers down legs)
...the clock struck two (clap twice) - the mouse said boo!
...the clock struck three (clap 3 times) - the mouse said whee!
...the clock struck four (clap 4 times) - there is no more

A House for a Mouse

A house for a mouse is a hole in the wall
(Form hole with thumbs and forefinger)
She's quiet and timid and meek.
She hides in her hole and she rarely comes out.
(Cover thumb with remaining 4 fingers)
But the smell of fresh cheese makes her peek!
(Sniff air and poke thumb between fingers)

Little Mice (count on fingers)

This little mouse peeked in the door,
This little mouse jumped to the floor
This little mouse came out to play,
This little mouse ran away!
This little mouse cried, "Dear me!
Dinner is over, and it's time for tea."

Crawly Creepy Little Mouse

Crawly creepy little mouse,
From the barn into the house.
In the pantry under the shelf!
Found some cheese and helped himself.
Nibble nibble nibble nibble!

Baby Mice (Hide your hand behind your back)

Where are the baby mice?
Squeak, squeak, squeak
I cannot see them peek, peek, peek
Here they come out of their hole
(Bring your fist forward)
One, two, three, four, five and that is all!
(Open your fingers one at a time)

Five Little Mice (hold up 5 fingers)

Five little mice on the pantry floor
This little mouse peeked behind the door
This little mouse nibbled at the cake
This little mouse not a sound did make
This little mouse took a bit of cheese
This little mouse heard the kitten sneeze
Achoo sneezed the kitten (pretend to sneeze)
And SQUEAK! they cried (throw hands in the air)
As they found a hole and ran inside (hide hands)

Round and Round the Garden

Round and round the garden
Goes the teddy bear (circle baby's tummy)
One step, two steps (walk fingers up chest)
Tickle under there! (tickle baby under chin)
Round and round the garden
Goes the little mouse (circle baby's tummy)
Up, up, up he creeps (walk fingers up arm)
Up into his house (tickle baby under arm)

Cat and mice (count on fingers)

Five little mice came out to play
Gathering crumbs up on their way (pick up crumbs)
Out came a pussy cat sleek and black (tip toe)
Five little mice went scampering back (run fingers)
Four little mice came out.....
No little mice came out... (shake head "no")
Out came the pussy cat sleek and black (tip toe)
He saw no mice so he took a nap (pretend to sleep)

Here Comes a Little Mouse

Here comes a little mouse squeak, squeak, squeak
He's tiny and soft and has pink little feet (tickle toes)
He runs up your leg, (tickle leg)
Then under your arm, (tickle under arm)
Tickleety, tickleety (tickle all over)
But he means you no harm

Creepy Crawly (creep fingers up from toes)

Creepy crawly little mouse
From the barn
Up to the house
Watch out little mouse!
Don't fall in that hole! (tickle under arm)

Tiny Mouse

There is such a tiny mouse
Living quietly inside my house
Out at night he starts to creep (creep fingers)
When everyone is fast asleep (pretend to sleep)
But always by the light of day (arms circle over head)
The tiny mouse creeps away (creep fingers)

Peek to the Left Peek to the Right

Here's a little mousie peeking through a hole
(poke finger through fist of other hand)
Peek to the left (wiggle finger to the left)
Peek to the right (wiggle finger to the right)
Pull your head back in (pull finger into fist)
There's a cat in sight!

A Little Mouse

A little mouse ran up the clock (hold up 1 finger)
He thought that it was fun
But when he reached the very top
The clock struck one (clap once)
Another mouse ran up the clock (hold up 2 fingers)
In tiny shoes of blue
And when she reached the very top
The clock struck two (clap twice)
Another mouse ran up the clock (hold up 3 fingers)
To see what he could see
And when he reached the very top
The clock struck three (clap 3 times)
Another mouse ran up the clock (hold up 4 fingers)
And found a little door
And when se reached the very top
The clock struck four (clap 4 times)
